Final Agenda

14h  Welcome and introduction by L. Rebuffi, Secretary General of ECSO

14h05  Presentation of the “Survey Analysis Report: CISOs Challenges & Priorities” by N. Hasratyan, ECSO

- What verticals were tackled?
- What recommendations were issued?
- What disruptive aspects were highlighted?
- Which messages to convey to which stakeholders?

14h15  Roundtable discussion: CISOs priorities and challenges
Based on the findings of the Analysis Report, CISOs will be invited to discuss the priorities and challenges based on their own experience. Some of the questions that will be asked to be tackled are:
- What are the challenges CISOs encounter? What are their limitations?
- How are threats evolving? How do CISOs perceive and prioritise cyber-threats?
- What roles and responsibilities do CISOs hold inside their companies? How do CISOs approach certification in cybersecurity?
- What a European network of CISOs should do to provide value to the community?

  Speakers
  - Giorgio Cusmà Lorenzo, Group Senior Director, Intesa Sanpaolo
  - Olivier Ligneul, Group CISO, Electricité de France (EDF)
  - Judith Wunschik, CISO, Siemens Energy
  - Csaba Virag, Head of Capacity Building, GTCybertech

  Moderator: Luigi Rebuffi, Secretary General, ECSO

14h45  Presentation and announcement of the launch of the CEC by L. Rebuffi, ECSO
The creation of the CISOs European Community (CEC) was an almost unanimous request from CISOs responding to the Survey. As a major consequence, ECSO has decided to take action and spearhead the change that is needed for the CISO and larger cybersecurity community. Along with the announcement of the creation, L. Rebuffi will also mention some concrete objectives that will be carried out inside the CEC besides the information sharing at the CISO strategic level.
The effective start of the CEC will take place after summer break. Participants to this event and CISOs in general are requested to provide their suggestions to contribute to the detailed shaping of the objectives and actions of this initiative according to their needs.
