

CYBERSECURITY MADE IN EUROPE

Where Cybersecurity Meets Opportunity

RSAConference2024

EUROPEAN NETWORKING NIGHT: CYBERSECURITY MADE IN EUROPE

RSA Conference 2024 Side Event

Monday, 6th May 2024 | Hotel VIA, 138 King St, San Francisco, CA 94107

Organised by: [European Cyber Security Organisation \(ECSO\)](#), in cooperation with [Welsh Government](#), [Embassy of the Republic of Poland in Washington D.C.](#), [Polish Cybersecurity Cluster #CyberMadeInPoland](#) & [Sweden's innovation agency VINNOVA](#).

The "Networking Night: Cybersecurity Made in Europe" promises to be a standout event at RSA Conference 2024. Building on the success of past editions this year anticipates over 200 attendees. Expect to network with leading European cybersecurity firms, US buyers, investors from both sides of the Atlantic, and ecosystem representatives.

Invited audience: **National delegations** will bring founders and cybersecurity professionals from their ecosystems, eager to explore US market opportunities. The rest of the slots are exclusively for **US-based buyers, integrators and investors**, with a select number of **European counterparts** also invited. You can see how our event looked like a couple of years back for a sneak peek: [YouTube link](#).
