Hygge Hotel	8,5	31 Rue des Drapiers, Elsene / Ixelles, 1050 Brussels, Belgium	Website
Yadoya Hotel	8,4	32 Boulevard d Anvers, 1000 Brussels, Belgium	Website
Holiday Inn Brussels Schuman by IHG	8,1	Rue Breydel, 20, 1040 Brussels, Belgium	Website
Best Western Plus Park Hotel Brussels	8,0	Avenue de l'Yser 21, Etterbeek, 1040 Brussels, Belgium	Website

THE ECSODAYS 2025

Meet our Golden Sponsor:

Resecurity

Resecurity is a cyber security company that delivers a unified platform for endpoint protection, risk management, and threat intelligence for large enterprises and government agencies worldwide. Resecurity provides intelligence, risk management and security capabilities. Their mission is to enable enterprises, national security and law enforcement agencies to combat cyber threats regardless of how sophisticated they are.

More information: www.resecurity.com

Meet our Silver Sponsors:

EDLIGO, is one of the Top 3 most innovative Software SME in Germany 2023 and a HR Tech Award Winner 2023 and 2024. EDLIGO is the specialist partner of international SME and large-scale organisations searching deep industry expertise for advancing talent management through uncovering the power of skills. With an outstanding track record of innovations and patents, the EDLIGO team consistently succeeds in implementing its Skill Hub and AI-Enabled Skills Management platform, delighting organisations with new experiences and insights, helping them to advance rapidly their recruitment, talent management and skills transformation agenda.

More information: www.edligo.com

In the field of cybersecurity, **GMV** has been working for over 30 years, committed to a comprehensive approach to cyber risk management and covering the full cybersecurity lifecycle: identifying existing threats, protecting assets, detecting attack attempts, and, if they occur, restoring the situation as quickly as possible — all orchestrated through the most rigorous management systems. GMV is highly regarded for its 24/7 Cybersecurity Incident Response Team (CERT).

THE ECSODAYS2025

Meet our Silver Sponsors:

secunet, is Germany's leading cybersecurity company. In an increasingly connected world, the company's combination of products and consulting assures resilient digital infrastructures and the utmost protection for data, applications and digital identities. secunet specialises in areas with unique security requirements – such as cloud, IIoT, eGovernment and eHealth. With security solutions from secunet, companies can maintain the highest security standards in digitisation projects and advance their digital transformation.

More information: www.secunet.com

Sedicii specialises in secure, collaborative data verification and identity authentication solutions. We leverage advanced cryptographic techniques, such as zero knowledge proofs and multiparty computations, to enable real-time identity verification and secure data-sharing without exposing the underlying data. This ensures high levels of privacy and security, making it particularly valuable for industries dealing with sensitive information, such as finance, healthcare and government services. We help organisations comply with stringent regulations by minimising the risk of data breaches and fraud.
